

## Protect Your Child from Unwanted Sex Education and Gender Confusion

- Fill out the **California State Parent and Student Opt-Out Notice** from the attorneys at Pacific Justice Institute and Sign It
- It is now a “legal document”
- Submit it per the directions on Page 3 of the Form
- Your child is now protected and you have recourse for legal action
- Your First Amendment right to Redress of Grievances gives you that right
- Create a log sheet where you document any violation of your signed Opt-Out Form with dates, times, details & names of involved educators or administrators and resulting harm to your child – keep for legal paper trail

- Share with other Parents
